

## The How Do I Clean the Bathroom? Checklist

Last Cleaned by: \_\_\_\_\_

(Name)

Date: \_\_\_\_\_

### Jobs:

- Replace any burned out light bulbs
- Drains: Pour 1/4 cup baking soda down sink drain, then 1/4 cup vinegar. Let sit for 5 minutes. Run hot water down drain to flush through. Treat bath drain also.
- Clean toilet bowl (inside) with toilet bowl cleaner
- Clean toilet (outside): all surfaces with ABC
- Clear off counter(s), put all items in their homes
- Fill soap dispenser
- Replace dirty cups/glasses with clean cups/glasses
- Clean counter(s) with ABC
- Clean sink with ABC, rub faucet with toothpaste & cloth to shine
- Clean mirrors with glass cleaner
- Clean bathtub with ABC
- Clean shower walls and shower door/curtain with ABC
- Disinfect doorknobs, light switches, and drawer handles
- Replace hand towels with clean towels
- Replace family members' bath towels with clean towels
- Empty hamper and remove dirty laundry
- Empty trash and replace bag (make sure extra bags are in the bottom of the trash can)
- Shake out rugs outside
- Sweep and/or vacuum (don't forget under cabinets, around toilet, behind trash can and in linen closet)
- Mop or scrub the floor
- Replace rugs
